In accordance with §2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty (60) days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of the contract, shall be effective unless it is in writing and signed by the party waiving the breach, failure, right, or remedy. No waiver of any breach, failure, right, or remedy, whether or not similar, nor shall any waiver constitute a continuing waiver unless the writing so specifies.

The City's failure at any time to enforce any of the provisions of the contract or any right or remedy available hereunder or at law or equity, or to exercise any option herein provided will in no way be construed to be a waiver of such provisions, rights, remedies or options or in any way to affect the validity of this agreement. The exercise by the City of any rights, remedies or options provided hereunder or at law or equity shall not preclude or prejudice the exercising thereafter of the same or any other rights, remedies, or options.

  9. **CONDITIONAL BIDS** - Conditional bids are subject to rejection by the City in whole or in part.
  10. **BIDS FOR ALL OR PART** - Unless otherwise specified in the solicitation, the City reserves the right to make award on all items in the aggregate or on any of the items on an individual basis, whichever is in the best interest of the City. A bidder may restrict his/her bid to consideration in the aggregate by so stating but shall name a single unit price on each item bid. Any bid in which the bidder names a total

price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

11. **OMISSIONS & DISCREPANCIES**-Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications. Should a bidder find discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and/or specifications, he or she shall notify the Purchasing Manager at least five (5) business days prior to the date set for the opening of bids. If necessary, the Purchasing Manager will send a written addendum for clarification to all bidders no later than three (3) business days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five days of the date set for opening of bids.
12. **BIDDER/OFFEROR INTERESTED IN MORE THAN ONE SOLICITATION** - If more than one bid or proposal is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
13. **TAX EXEMPTION:** The City is exempt from the payment of federal excise taxes and the payment of State Sales and Use Tax on all tangible, personal property for its use or consumption. Tax exemption registration number 54-6001271 applies. Certificated furnished upon request. The price bid must be net, exclusive of taxes. However, when under established trade practice any federal excise tax is included in the list price, a bidder may quote the list price and shall show separately the amount of federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the City. Materials used in the performance of construction contracts are subject to Virginia Sales/Use Tax as described in Section 630-10-27J of the Virginia Retail Sales and Use Tax Regulations.
14. **SUBSTITUTIONS:** No substitutions or cancellations permitted without prior written approval by the Purchasing Manager.
15. **CONDITION OF COMMODITIES:** All items bid/proposed shall be new, latest model, design or pack and in first class condition, including containers suitable for shipments and storage, unless otherwise indicated in bid invitation/proposal request. Verbal agreements to the contrary will not be recognized.
16. **PROHIBITION AGAINST UNIFORM PRICING** - The City shall encourages open and competitive bidding by all possible means and shall endeavor to obtain the maximum degree of open competition on all purchase transactions using the competitive sealed bidding, competitive negotiation, or open market methods of procurement. In submitting a solicitation response each bidder/offeror shall, by virtue of submitting a bid/proposal, guarantee that he or she has not been a party with other bidders/offerors to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating bidders. Any disclosure to or acquisition by a competitive bidder, in advance of the opening of the bids, of the terms or conditions of the bid submitted by another competitor may render the entire proceedings void and may require re-advertising for bids.
17. **PROHIBITION AS SUBCONTRACTORS UNDER COMPETITIVE SEALED BIDDING:** No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
18. **SAMPLES:** Samples, if required, must be furnished free of expense to the City on or before date specified; if not destroyed in examination, they will be returned to bidder, if requested, at bidder's expense. Each sample must be marked with the bidder's name and address, City's request number and opening date. **DO NOT ENCLOSE IN OR ATTACH BID TO SAMPLE.**

#### **SPECIFICATIONS**

19. **BRAND NAME OR EQUIVALENT ITEMS** - Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the City in its sole discretion determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

20. **FORMAL SPECIFICATIONS** - When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification. The bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part as the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.
21. **FEDERAL SPECIFICATIONS**-Any Federal Specifications referred to herein may be obtained from the GSA Federal Supply Service Bureau - Specification Section, 470 East L'Enfant Plaza, S.W., Suite #8100, Washington, D.C. 20407 (Voice: 1-202-619-8925, Fax: 1-202-619-8978).

### **AWARD**

22. **AWARD OR REJECTION OF BIDS/OFFERS:**
  - a. The City shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the City to accept it.
  - b. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the City taking into consideration the evaluation factors set forth in the RFP.
  - c. In determining the responsibility of a bidder or offeror, a number of factors, including but not limited to the following factors will be considered. The bidder/offeror should:
    - 1) be a regular dealer, supplier, or contractor, or when required in the solicitation an authorized dealer, of the goods or services offered;
    - 2) have the ability to comply with the required delivery or performance schedule, taking into consideration other business commitments;
    - 3) have a satisfactory record of performance;
    - 4) have a satisfactory record of integrity; and,
    - 5) have the necessary facilities, organization, experience, technical skills, and financial resources to fulfill the terms of the purchase order or Contract.
  - d. To be considered for an award, a bid or offer must comply in all material respects with the RFP or IFB. Responsiveness relates to compliance with the provisions of the solicitation, including specifications and terms and conditions. Failure to comply with the requirements set forth in the RFP or IFB may result in a proposal being declared nonresponsive, (e.g., failure to sign a proposal or bid, failure to return the required RFP or IFB documents, etc.) Such other information as may be secured by the City having a bearing on the decision to award the contract.
  - e. The City reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids/offers and to waive any informality in bids/offers received whenever such rejection or waiver is in the best interest of the City. Award may be made to as many bidders/offerors as deemed necessary to fulfill the anticipated requirements of City.
  - f. The City also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.
  - g. All awards for good and services over \$100,000 and professional services over \$60,000 are contingent upon City Council approval.
  - h. The City has the indisputable right to
    - 1) accept or reject any bid/proposal, or part of any proposal,
    - 2) to cancel any solicitation, and/or
    - 3) stop any solicitation.
23. **NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS** - A written award notice (or Acceptance Agreement, contract, or Purchase Order) mailed (or otherwise furnished) to the successful bidder/offeror within the time for acceptance specified in the solicitation shall be deemed to result in a binding contract. The following documents which are included in the solicitation shall be incorporated by reference in the resulting contract and become a part of said contract:

- a. City Solicitation Forms and other documents which may be incorporated by reference, if applicable,
  - b. General Conditions and Instructions to Bidders,
  - c. Specific or Special Provisions and Specifications,
  - d. Pricing Schedule,
  - e. Any Addenda/Amendments/Memoranda of Negotiations
24. TIE-BIDS – If all bids are for the same total amount or unit price (including authorized discounts and delivery times), and if the public interest will not permit the delay of readvertisement for bids, the City has a right award the contract to the resident City of Falls Church tie bidder whose firm has its principal place of business in the City, or if there be none, to the resident Virginia tie bidder, or if there be none, to one of the tie bidders by drawing lots in public; or the City may purchase the goods or services in the open market except that the price paid shall not exceed the lowest contract bid price submitted for the same goods or services. The decision of the City to make award to one or more such bidders shall be final.
25. PROMPT PAYMENT DISCOUNT - In connection with any discount offered, time will be computed from the date of delivery of the services or supplies to the carrier when delivery, inspection and acceptance are at the point of origin; or, from date of delivery, inspection and acceptance at destination; or, from date correct invoice or voucher is received in the office specified by the City, if the latter is later than the date of acceptance. In the event the bidder does not indicate a prompt payment discount, it shall be construed to mean NET 30 days.
26. INSPECTION - ACCEPTANCE - Inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements. Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time.
27. SUBLETTING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS - It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the City. If the Contractor desires to assign his or her right to payment of the contract, Contractor shall notify the Purchasing Manager immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from his or her obligations or change the terms of the contract.
28. FUNDING-A contract shall be deemed binding only to the extent of appropriations available for the purchase of goods and services.

#### **CONTRACT PROVISIONS**

29. ANTI-TRUST: By entering into a contract, the bidder/offeror conveys, sells, assigns, and transfers to the City all rights, title and interest in and to all causes of the action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the City under said contract. Consistent and continued tie bidding could cause rejection of bids by the City and/or investigation for Anti-Trust violations.
30. INDEMNIFICATION-Contractor shall indemnify, keep and hold harmless the City, its agents, officials, and employees against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against the City in consequence of the granting of a contract or which may otherwise result therefrom including the use of any materials, goods or equipment of any kind or nature furnished by the contractor or any services of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence of the City or to failure of the City to use the materials, goods or equipment in the manner already and permanently described by the contractor on the materials, goods or equipment delivered. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and hold harmless and defend the City as herein provided.
31. ASSIGNMENT OF CONTRACT: A contract shall not be assignable by the Contractor, in whole or in part, without the prior written consent of the City.
32. ANTI-DISCRIMINATION: By submitting their bids/proposals all bidders/offerors certify to the City that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, where applicable, and Section 2.2-4311 of the Virginia Public Procurement Act which provides:  
In every contract over \$10,000.00 the provisions in "a" and "b" below apply:

- a. During the performance of this contract, the contractor agrees as follows:
    - 1) The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
    - 2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
    - 3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
  - b. The Contractor will include the provisions of the foregoing paragraphs in every subcontract or purchase order of over \$10,000.00, so that the provisions will be binding upon each subcontractor or vendor.
33. **ETHICS IN PUBLIC CONTRACTING:** The provisions contained in Sections 2.2-4367 through 2.2-4377 of the Virginia Public Procurement Act as set forth in the Code of Virginia (1950), as amended, shall be applicable to all contracts solicited or entered into by the City.
- By submitting their bids/proposals, all bidders/offers certify that their bids/proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder/offeror, supplier, manufacturer or subcontractor in connection with their bid/proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised unless consideration of substantially equal or greater value was exchanged.
34. **CRIMINAL SANCTIONS:** The provisions referenced in Item 27 supplement, but do not supersede, other provisions of law including, but not limited to, the State and Local Government Conflict of Interests Act (§§ 2.2-3100 et seq.), the Virginia Governmental Frauds Act (§§ 18.2-498.1 et seq.), and Articles 2 (§§ 18.2-438 et seq.) and 3 (§§ 18.2-446 et seq.) of Chapter 10 of Title 18.2. The provisions apply notwithstanding the fact that the conduct described may not constitute a violation of the State and Local Government Conflict of Interests Act.
35. **FORCE MAJEURE:** Neither party shall be liable for any delay or failure to perform its obligations in connection with any action described in this Agreement, if such failure results from any act of God, riot, war, civil unrest, flood, earthquake, acts by the public enemy, or other cause beyond such party's reasonable control (including any mechanical, electronic, or communications failure, but excluding failure caused by a party's financial condition or negligence).
36. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with the City, the Contractor certifies that the Contractor does not, and shall not, during the performance of the Contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
37. **USE OF INFORMATION:** Any specifications, drawings, sketches, models, samples, tools, computer or other apparatus programs, technical or business information or data, written, oral, or otherwise (all hereinafter designated "Information") which the City furnished, or shall furnish, to the Contractor under the contract or in contemplation of this agreement, or that Contractor comes in contact with on City premises or under City control shall remain City property. All copies of such information in written, graphic or other tangible form, and all information, ideas, discoveries, improvements, derived from or reflecting such information, shall be returned to City at its request, and in any event within thirty (30) days after the expiration or termination of the contract. Unless such information was previously known to Contractor free of any obligation to keep it confidential, or has been or is subsequently made public by City or a third party without breach of any agreement, it shall be kept strictly confidential and shall be used only in performing services under this Agreement, and may not be used for other purposes except upon such terms as may be agreed upon between Contractor and City in writing. Unless approved in writing by the Purchasing Manager, the Contractor may not sell or give to any individual or organization any information, reports, or other materials given to, prepared, or assembled by the Contractor under the final contract.
38. **RECORD RETENTION/AUDITS:** The Contractor shall maintain accurate records of all invoices, amounts billable to and payments made by the City, during the performance of the contract and for a period of three (3) years from the completion of this agreement. Such records shall include, but not be limited to: all paid vouchers including those for out-of-pocket expenses; other reimbursement supported by invoices, including the Contractor's copies of periodic estimates for partial payment; ledgers, cancelled checks;

deposit slips; bank statements; journals; contract amendments, and change orders; insurance documents; payroll documents; timesheets; memoranda; and correspondence. Such records shall be available to the City on demand and without advance notice during the Contractor's normal working hours. City personnel or designee may perform in-progress and post-audits of the Contractor's records.

39. **BANKRUPTCY:** If the Contractor should be adjudged bankrupt, or make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of the Contractor's insolvency, or if the Contractor should persistently or repeatedly refuse or should fail, except in cases for which extension of time is provided, to deliver the goods or services within the time specified, or if the Contractor otherwise defaults, then the City may without prejudice to any other right or remedy, and after giving the Contractor seven (7) days written notice, terminate the contract Contractor and procure such goods or services from other sources. In such event, the Contractor shall be liable to the City for any additional cost occasioned by such failure or other default. In such cases, the Contractor shall not be entitled to receive any further payment if the expense of finishing the contract requirements, including compensation for additional managerial and administrative services shall exceed the unpaid balance of the contract price, the Contractor shall pay the difference to the City.
40. **SUBCONTRACTING:** If one or more subcontractors are required, the contractor is encouraged to utilize small, minority-owned and women-owned business enterprises. For assistance in finding subcontractors, contact the Virginia Department of Business Assistance <http://www.dba.state.va.us/>; the Virginia Department of Minority Business Enterprise <http://www.dmbc.state.va.us/>; local chambers of commerce and other business organizations. As part of the contract award, if requested by the City, the prime contractor agrees to provide the names and addresses of each subcontractor that subcontractor's status as defined by the Commonwealth of Virginia as small, minority-owned and/or woman-owned business and the type and dollar value of the subcontracted goods/services provided.

The Contractor may subcontract third party issues performed under the contract, but must submit a written list of those subcontractors, their addresses, personnel who will be performing the work, and a description of the work to be performed to the City prior to the work actually being done. The City must agree to the third party's work and reserves the right to deny the third party access if necessary.

41. **PAYMENTS TO SUBCONTRACTORS:** Within seven (7) days after receipt of amounts paid by the City for work performed by a subcontractor under this Agreement, the Contractor shall either:
  - a. Pay the subcontractor for the proportionate share of the total payment received from the City attributable to the work performed by the subcontractor under this agreement; or,
  - b. Notify the City and subcontractor, in writing, of its intention to withhold all or a part of the subcontractor's payment and the reason for non-payment.

The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven-day period except for amounts withheld as allowed in item b. above.

Unless otherwise provided under the terms of this agreement, interest shall accrue at the rate of one percent (1%) per month.

The Contractor shall include this provision in each of its subcontracts requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor. The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the City.

42. **TIME OF THE ESSENCE:** - Time is of the essence in respect to all provisions of the contract that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this agreement.
43. **PRICE REDUCTION-**If at any time after the date of the bid the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will

within ten (10) days of any general price reduction notify the Purchasing Manager of such reduction by letter. FAILURE TO DO SO MAY REQUIRE TERMINATION OF THE CONTRACT.

The Contractor, if requested, shall furnish, within ten (10) days after the end of the contract period, a statement certifying either (1) that no general price reduction, as defined above, was made after the date of the bid, or (2) if any such general price reductions were made, that as provided above, they were reported to the Purchasing Manager within ten (10) days and ordering offices were billed at the reduced prices. Where one or more such general price reductions were made, the statement furnished by the Contractor shall include with respect to each price reduction (1) the date when notice of any such reduction was issued, (2) the effective date of the reduction, and (3) the date when the Purchasing Manager was notified of any such reduction.

44. **QUALITY:** - All products, parts, materials, assemblies, etc. shall be new, not refurbished, and free of cosmetic defects. Proposed products shall meet or exceed industry standards for quality and reliability. Product design and construction must be consistent with current best industry or engineering practices.  
All services shall be performed in a first class workmanlike manner in accordance with current industry standards.  
All products and services shall meet the current applicable state and federal rules and guidelines.
45. **KEY PERSONNEL** - Any personnel named in the bid/offer details will remain responsible for performance of the described task(s) throughout the period of any contract resulting from the solicitation. No diversion or replacement may be made without advance written notice to the Purchasing Manager and submission of a resume of the proposed replacement for review and approval by the City.
46. **REPORTS** - The Contractor must submit status reports as requested appropriate to the tasks and projects that are developed under contract in a form, format and frequency satisfactory to the City.
47. **AUTHORIZED DEALER/DISTRIBUTOR RESPONSIBILITIES** - The Contractor, as the manufacturer or an authorized dealer/distributor of the products specified in the solicitation, hereby transfers all rights, including software rights, licenses and documentation to the City upon product acceptance.
48. **OWNERSHIP OF MATERIAL** - Ownership of all data, materials and documentation originated and prepared for the City pursuant to the solicitation shall belong exclusively to the City and be subject to public inspection in accordance with the Virginia Freedom of Information Act.

#### **SHIPPING/DELIVERY PROVISIONS**

49. **SHIPPING** - Unauthorized advance shipments and shipments other than for the quantity ordered are returnable at Contractor's expense. Delivery shall not be deemed complete until the goods have been actually received by City at its facility.
50. **RESPONSIBILITY FOR SUPPLIES TENDERED** - Unless otherwise specified in the solicitation, the Contractor shall be responsible for the materials or supplies covered by the contract until they are delivered at the designated point, but the Contractor shall bear all risk on rejected materials or supplies after notice of rejection. Rejected materials or supplies must be removed by and at the expense of the Contractor promptly after notification of rejection, unless public health and safety require immediate destruction or other disposal of rejected delivery. If rejected materials are not removed by the Contractor within ten (10) days after date of notification, the City may return the rejected materials or supplies to the Contractor at his or her risk and expense or dispose of them as its own property.
51. **INSPECTIONS** - Inspection and acceptance of materials or supplies will be made after delivery at destinations herein specified unless otherwise stated. If inspection is made after delivery at destination herein specified, the City will bear the expense of inspection except for the value of samples used in case of rejection. Final inspection shall be conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the City for such materials or supplies as are not in accordance with the specifications.
52. **COMPLIANCE**-Delivery must be made as ordered and in accordance with the solicitation or as directed by the Purchasing Manager or designee when not in conflict with the bid. The decision of the Purchasing Manager or designee as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of goods by the purchaser shall rest with the Contractor. Any request for extension of time of delivery from that specified must be approved by the Purchasing Manager or designee, such extension applying only to the particular item or shipment affected. Should the Contractor be delayed by

the City, there shall be added to the time of completion a time equal to the period of such delay caused by the City. However, the contractor shall not be entitled to claim damages or extra compensation for such delay or suspension. These conditions may vary for construction contracts. See Special Provisions for the individual solicitation.

53. POINT OF DESTINATION-All materials shipped to the City must be shipped F.O.B. DESTINATION unless otherwise stated in the contract or purchase order. The materials must be delivered to the "Ship to" address indicated on the purchase order.
54. ADDITIONAL CHARGES-Unless bought F.O.B. "shipping point" and Contractor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, difference between freight or mail and express charges may be added to invoice.
55. METHOD AND CONTAINERS-Unless otherwise specified, goods shall be delivered in commercial packages in standard commercial containers, so constructed as to ensure acceptance by common or other carrier for safe transportation to the point of delivery. Containers become the property of the City unless otherwise specified by bidder.
56. REPLACEMENT-Materials or components that have been rejected by the City, in accordance with the terms of a contract, shall be replaced by the Contractor at no cost to the City.
57. PACKING SLIPS OR DELIVERY TICKETS-All shipments shall be accompanied by Packing Slips or Delivery Tickets and shall contain the following information for each item delivered:
  - a. The Purchase Order Number,
  - b. The Name of the Article and Stock Number (Supplier's),
  - c. The Quantity Ordered,
  - d. The Quantity Shipped,
  - e. The Quantity Back Ordered,
  - f. The Name of the Contractor.

Contractors are cautioned that failure to comply with these conditions shall be considered sufficient reason for refusal to accept the goods.

#### **BIDDER/CONTRACTOR REMEDIES**

58. PROTEST OF AWARD OR DECISION TO AWARD:
  - a. Any bidder or offeror may protest the award or decision to award a contract by submitting a protest in writing to the Purchasing Manager, no later than ten (10) days after the award or the announcement of the decision to award, whichever occurs first. Any potential bidder or offeror on a Contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten (10) days after posting or publication of the notice of such Contract. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection then the time within which the protest must be submitted shall expire ten (10) days after those records are available for inspection by such bidder or offeror, or at such later time as provided herein. No protest shall lie for a claim that the selected bidder or offeror is not a responsible offeror. The written protest shall include the basis for the protest, and the relief sought. The Purchasing Manager shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the Offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia.
  - b. If prior to award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Purchasing Manager shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a Contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the Contract may be declared void by the City. Where the award has been made and performance has begun, the Purchasing Manager may declare the Contract void upon a finding that this action is in the best interests of the City. Where a Contract is declared void, the performing Contractor shall be compensated for the cost of performance at the rate specified in the Contract up to the time of such declaration. In no event shall the performing Contractor be entitled to lost profits.

- c. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this article shall not be affected by the fact that a protest or appeal has been filed.
  - d. An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest, no further action to award the Contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.
59. APPEAL OF DENIAL OF WITHDRAWAL OF BID-
- a. A decision denying withdrawal of a bid submitted by a bidder or offeror shall be final and conclusive unless the bidder appeals the decision within ten (10) days after receipt of the decision by instituting legal action as provided in the Code of Virginia. The bidder or offeror may not institute legal action until all statutory requirements have been met.
  - b. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was arbitrary or capricious, the sole relief shall be withdrawal of the bid.
60. APPEAL OF DETERMINATION OF NONRESPONSIBILITY-
- a. Any bidder who, despite being the apparent low bidder, is determined not to be a responsible bidder for a particular City contract shall be notified in writing by the Purchasing Manager. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The bidder may not institute legal action until all statutory requirements have been met.
  - b. If, upon appeal, it is determined that the decision of the City was arbitrary or capricious and the award for the particular City contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the City contract in question. Where the award has been made and performance has begun, the City may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

#### **GENERAL**

- 61. LEGAL ACTION: No bidder/offeror, potential bidder/offeror, or subcontractor shall institute any legal action until all statutory requirements have been met.
- 62. RIGHTS OF THE CITY: The City reserves the right to accept or reject all or any part of bids/proposals, waive minor technicalities/informalities and award the contract to the lowest responsive and responsible bidder or most qualified and best suited offeror to best serve the interest of the City.
- 63. QUALIFICATIONS OF BIDDERS/OFFERORS: The City may make such reasonable investigations as deemed proper and necessary to determine the ability of the bidder/offeror to perform the services/furnish the goods, and the offeror shall furnish to the City all such information and data for this purpose as may be requested. The City reserves the right to inspect the bidder's/offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The City further reserves the right to reject any bid/proposal if the evidence submitted by, or investigations of, such bid/offeror fails to satisfy the City that such bidder/offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.
- 64. DELIVERY/SERVICE FAILURES: Failure of a Contractor to deliver goods or services within the time specified, or within reasonable time as interpreted by the Purchasing Manager, or failure to make replacements/corrections of rejected articles/services when so requested, immediately or as directed by the Purchasing Manager, shall constitute authority for the Purchasing Manager to purchase in the open market articles/services of comparable grade/quality to replace the services, articles rejected, and/or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the Purchasing Manager, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the City reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Manager.
- 65. GUARANTEES & WARRANTIES: All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Manager before final payment on the contract is made. Unless otherwise stated, manufacturer's standard warranty applies.

Save the City, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or un-copyrighted composition; secret process, patented or unpatented; invention; article or appliance furnished or used in the performance of a Contract for which the Contractor is not the patentee, assignee, licensee or City.
  - b. Protect the City against latent defective material or workmanship and to repair or replace any damages or marring occasioned in transit or delivery.
  - c. Furnish adequate protection against damage to all work and to repair damages of any kind to the building or equipment, to his or her own work or to the work of other contractors, for which his or her workers are responsible.

  - e. Stipulate that the presence of a City inspector shall not lessen the obligation of the offeror for performance in accordance with the contract requirements, or be deemed a defense on the part of the offeror for infraction thereof. The Inspector is not authorized to revoke, alter, enlarge, relax, or release any of the requirements of the contract documents. Any omission or failure on the part of the Inspector to disapprove or reject any work or material shall not be construed to be an acceptance of any such defective work or material. Notification of an omission or failure will be documented by the Purchasing Manager.
68. **OFFICIALS NOT TO BENEFIT-**
  - a. Each bidder/offeror shall certify, upon signing a bid or proposal, that to the best of his or her knowledge no City of Falls Church official or employee having official responsibility for the procurement transaction, or member of his or her immediate family, has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the bid or proposal or as soon thereafter as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, or rescission of the contract made, or could affect payment pursuant to the terms of the contract.
  - b. Whenever there is reason to believe that a financial benefit of the sort described in paragraph "a" has been or will be received in connection with a bid, proposal or contract, and that the contractor has failed to disclose such benefit or has inadequately disclosed it, the City Manager, as a prerequisite to payment pursuant to the contract, or at any other time, may require the Contractor to furnish, under oath, answers to any interrogatories related to such possible benefit.
  - c. In the event the bidder or offeror has knowledge of benefits as outlined above, this information should be submitted with the bid or proposal. If the above does not apply at time of award of contract and becomes known after inception of a contract, the bidder or offeror shall address the disclosure of such facts to the City of Falls Church, 300 Park Avenue, Falls Church, VA 22046. Relevant Invitation/Request for Proposal Number should be referenced in the disclosure.

For violation of this warranty, the City shall have the right to terminate or suspend this contract without liability to the City or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
71. VIRGINIA FREEDOM OF INFORMATION ACT: All proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm or corporation, in accordance with the Virginia Freedom of Information Act except as provided below:
- Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.
  - Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award except in the event that the City decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to the public inspection only after award of the contract except as provided in paragraph "c" below. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.
  - Trade secrets or proprietary information submitted by a offeror or Contractor in connection with a procurement transaction or prequalification application submitted pursuant to the prequalification process identified in the Special Provisions, shall not be subject to the Virginia Freedom of Information Act; however, the offeror or subcontractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.

72. INELIGIBILITY:

- Any person or firm suspended or debarred from participation in City procurement shall be notified in writing by the Purchasing Manager.

The Notice of Debarment shall state the reasons for the actions taken and the decision shall be final unless the person or firm appeals within thirty (30) days of receipt of the notice by instituting legal action as provided in the Code of Virginia.

  - Conviction under the state or federal antitrust statutes arising out of the submission of bids or proposals;
  - Violation of Contract provisions, as set forth below, of a character which is regarded by the Purchasing Manager to be so serious as to justify suspension or debarment action:
    - failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or,
    - a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory

performance caused by acts beyond the control of the Contractor shall not be considered to be a basis for suspension or debarment;

- 5) Any other cause the Purchasing Manager determines to be so serious and compelling as to affect responsibility as a bidder/offeror, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;
  - 6) The offeror/bidder has abandoned performance or been terminated for default on any other City project;
  - 7) The offeror/bidder is in default on any surety bond or written guarantee on which the City is an obligee.
- c. If, upon appeal, it is determined that the action taken by the Purchasing Manager was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

For any reason other than those noted above, a "Request for Refund/Household Credit" form must be completed and submitted to the City at least **two weeks** before the start of camp.

-Requests for a refund made at least two weeks before the start of camp will be granted, less a 20% processing fee.

-Requests for a credit made at least two weeks before the start of camp will be granted, less a 10% processing fee.

-Requests less than two weeks before camp starts will **only** be granted for medical reasons (doctor's note required).

-No refunds or household credits will be given if the request for such is submitted less than 2 weeks before the camp starts, nor after it has ended. This also applies to AM and PM Extended care.

## ATTACHMENT 5 - CAMP CONTRACTOR GUIDELINES

### Camp Contractor Guidelines City of Falls Church Winter 2009 & Spring 2010

The Camp Contractor Guidelines set forth are supplemental to the material provided in the request for proposal and should not be viewed as all inclusive. The purpose of this guideline packet is to clarify our expectations of the contractors we work with and the staff those contractors hire. Please share this information included in this packet with your staff. If you have any questions about material listed in these guidelines, please contact Amy Maltese, Camp Coordinator for the City of Falls Church at (703) 248-5307 or [amaltese@fallschurchva.gov](mailto:amaltese@fallschurchva.gov).

#### **Pre-camp Information:**

-For camps who have not reached minimum enrollment two weeks (14 days) prior to the start of camp, a phone call will be made to camper families informing them about the potential cancellation due to low enrollment.

Each camp must have met its minimum enrollment at least one week (seven days) prior to the first day of camp. Those camps that have not met their minimum enrollment by the cut off date will be cancelled by the department and fees will be returned to campers.

-Our camp refund policy is as follows:

Request for a refund must be submitted at least two weeks before the start of camp. Requests for a refund made two weeks before the camp starts will be granted. Requests less than two weeks before a session begins will only be granted for medical reasons (doctors note required). No refunds or household credits will be given if the request for such is submitted less than 2 weeks before the camp starts, nor after it has ended. This also applies to AM and PM Extended care. The Contractor will not bill the City for any campers granted a refund.

**Please be aware that the refund requests take some time to be processed upon receipt. Therefore, if you receive a headcount two weeks prior to the start of camp, that number is subject to change if a refund request has been received but not yet processed. As a result, your numbers are subject to change up to one week before the start date of your camp.**

- Contractors are responsible for submitting a Criminal History Police Check report on each of their staff members. This request is made in accordance with title 19.2, section 389, Code of Virginia, and if requested by the department a complete background check for every person who will be working with children.

**-Staff members shall be at least 16 years of age and for co-ed camps, you must have co-ed staff hired.**

**-There must be at least one staff member for every ten campers during camp instructional time.** The Program Director shall be excluded from the calculation of staff to camper's ratio unless the Director will actually be serving as an instructor.

## General Camp Guidelines:

- Campers need to be supervised at all times.** Staff should always be able to see and hear campers.
- At the completion of specialized sport camp an evaluation form is to be completed by the camp staff and given to each participant to provide the camper with some goals for improvement.
- Each camper is also to be given an evaluation form at the conclusion of the camp to evaluate the camp. This form will be supplied by the City and the contractor is responsible for distributing the form.
- The Contractor is responsible for cleaning up all trash left by the campers and staff, and placing the trash in receptacles provided by the City. Any cleaning done by the City will have a fee assessed to it and charged to the Contractor.
- The selling of food/beverages must be approved in advance. Contractors are not permitted to sell candy.
- The Contractor will be responsible for repair or replacement of any equipment belonging to the City or the City Schools, which is damaged, destroyed or broken by any of the campers or staff. The Contractor will be required to assume full replacement responsibility for any City or City School property, issued to the Contractor for use in the camp that is stolen or lost.
- Contractors are prohibited from hanging items on walls at city or school district facilities.
- The Contractor will comply with the provisions of the American with Disabilities Act of 1990 which prohibits discrimination against individuals with disabilities in employment and mandates their full participation in both publicly and privately provided services and activities.
- Emergency Contact information forms for each camper will be made available for parents at the time of registration. It is the contractor's responsibility to collect the forms on the first day of camp and ensure that there is one for each child.**
- For camps using the turf field located at George Mason High School: Food, drinks and gum are prohibited on the field. Also, in an effort to prevent excessive wear of the field, please rotate what part of the field you use each day.
- For off-site camps: If the bus is late arriving in the morning, please call the front desk at (703) 248-5077 to notify us. The bus driver is expected to remain on-site with the bus for the duration of the camp. If you encounter any issues with the bus, please contact the front desk.

## **Extended Care (specific to camps held at city schools):**

-Transportation is only provided to/from the Falls Church Community Center **for those campers enrolled in extended care**. Campers should never be in personal staff vehicles.

-MORNING EXTENDED CARE: A staff person from each camp needs to at the extended care pick up location by 9am each morning to pick up campers

-AFTERNOON EXTENDED CARE: A staff person from each camp needs to bring all afternoon extended care campers to the extended care location at 3pm. .

-If you are unsure whether or not a child belongs in extended care, please contact City staff.

## **Rosters and Attendance/Roll Call:**

-Rosters are available prior to the start of camp by calling the front desk at (703) 248-5077.

-The Monday morning of your camp week: If your camp is located at the Falls Church Community Center, your roster will be placed at the front desk. If your camp is located offsite, the staff person traveling with the campers will have your roster.

-If you require waivers and there is a waiver missing, please call us at (703) 248-5077 so that we may fax or e-mail it to you.

-Camps will be required to have campers sign in and out daily. The signed sheets should be submitted weekly to the City. Staff should conduct a roll call hourly. Sign in sheets can be provided to you with your roster upon request.

**-The Contractor is responsible for assuring that all campers have been picked up by their parents or individuals designated by the parents or guardian prior to departure from the camp each day. If any problem arises concerning pick up of campers by parents or designated driver, the Contractor must contact Recreation & Parks Department staff immediately at (703) 248-5077.**

## **Staff Expectations:**

-Staff should be mindful of the experience of the camper at all times. Please keep a watch for children who are bullying/being bullied, name calling and teasing. These are prime reasons why a child's camp experience is ruined and families withdraw from camp.

-Smoking is prohibited on school property. Staff should never smoke in the view of campers. Staff cannot leave the campsite for a cigarette break if it creates a ratio that exceeds 1 staff person per 10 campers.

-Staff should never be on their cell phone during camp hours. Although you might still be with your campers, if you are on a cell phone, you are not actively watching your campers and you are therefore removed from the staff to camper ratio and can create a liability.

-Staff should always be mindful of their actions and set an example to campers. Staff should never swear or talk about inappropriate topics while at camp.

-No photos of campers may be posted on the internet including social websites such as facebook, etc.

-Clothing should always be appropriate and should never be revealing. Our policy is that bottoms should be no shorter than the length of the wearer's fingertips when hanging by their side. No part of anyone's stomach section should be showing. No clothing exhibiting offensive or obscene symbols or that promotes violence, drugs, alcohol or tobacco may be worn. Staff should refrain from wearing cut-off jeans and clothing with holes.

## **Injuries/Emergencies and First Aid:**

-The contractor must have a staff member certified in CPR and first aid on site during camp hours.

-The contractor must have a first aid kit on site at all times (including camps that are located at the Falls Church Community Center). Key components that should be included are band aids, ice packs, alcohol cleaning wipes, and antibiotic ointment.

-All camps should have an injury form to be completed when a child gets hurt. As a rule of thumb, if you have to apply an ice pack, complete an injury form. A copy of the injury form needs to be submitted to Amy Maltese, Camp Coordinator the day the injury occurs. The form can be given to the afternoon extended care bus driver to be dropped off at the community center. You may use our form if you would like.

-In the event a child gets injured at camp, you **must** notify a parent/guardian in a timely fashion. For any injury in which you contact a parent, you must also notify camp coordinator, Amy Maltese.

## After Camp:

- Contractors must submit an invoice in order for the City to process payment.
  - Contractors must provide Camp Coordinator, Amy Maltese with the week's attendance sheet every Friday.
- 

**Please understand that the City of Falls Church has a 100% satisfaction policy. Parents have the right to withdraw their child from a camp that they find to be unsatisfactory. These families will be given a full refund and we strongly encourage all contractors to agree to the full refund for these families.**
